- Greater understanding of the principles and the application and implementation thereof.
- Facilitator well-versed and explanations easily understood.
- Better understanding as to how to practically apply in our organisation.

KING IV TRAINING – A PRACTICAL

COURSE

COURSE AIM

The aim of the King IV™ Code on Corporate Governance workshop is to enable delegates to understand the principles and recommended practices of the King IV™ Code and to use this to generate an application register.

The nature of the course allows for interactive participation, discussions and practical and theoretical exercises. Delegates will be given an opportunity to work through a King IV™ Code assessment and generate an application register. They will receive insights and feedback from the facilitator and will be encouraged to participate and share their experiences.

WHO SHOULD ATTEND?

If you are ,governance professional, compliance practitioner or a member of a governing body or committee wanting a useful understanding of the King IV™ Code then this training is for you.
